

*For Immediate Release*

RENTON, WA. AUGUST 6, 2006 – Erado the leading on-demand message security archiving, compliance, and hosting services for financial services companies, announced an upgrade to its anti-spam and anti-virus network service.

Due to the unprecedented growth in spam Erado has added over 60 new anti-spam applets to its anti-spam service. Spam has been increasing by 25+% per quarter and now amounts to over 87% of all email.

Erado's Chief Technical Officer Calvin Cochran commented that "these upgrades will significantly reduce the amount of spam reaching our customers inbox".

Erado's new anti-spam applets went into service July 20, 2006.
